Community Development Block Grant Application, Review and Award Process

- The City of Rio Rancho's (City) CDBG Entitlement Grant program conducts an annual competitive funding process in which applicants submit requests for CDBG funding. In order to qualify for award, applications must be for projects that meet HUD's National Objectives and be for activities deemed eligible by governing HUD regulations. Applications for the FY 2017-2018 program year will be available on December 1, 2016.
- A mandatory pre-application workshop will be held on January 13, 2017, at which time City Staff will explain the process and the application form, answer applicant questions, and provide assistance as needed. The workshop will be held in the Rio Rancho City Hall Overflow Meeting Room at 10:30 a.m. - 12:00 noon.
- Completed applications must be submitted to the City's CDBG Staff no later than January 20, 2017 by 4:30 p.m.
- City Grants Staff review the applications for eligibility, ensuring each of the applications meet a National Objective, are an eligible activity and meet a City Strategic Goal.
- Eligible applicants must present applications and answer any questions regarding applications at the City's Capital Improvements Plan Citizen's Advisory Committee (CIPCAC) meetings on the evening of February 21 or February 23, 2017. Presentations are limited to 15 minutes each.
- Following completion of all public testimony in February, CIPCAC will meet to discuss their recommendation for allocation of the available funds. The final recommendation is presented to the City Council for their approval. Upon approval, the recommended projects become part of a One-year Action Plan that is submitted to HUD by the 15th of May 2017.
- Prior to July 15, 2017, HUD informs the City whether the Action Plan is, or is not approved, or if it requires some modification. After federal approval, HUD issues a release of funds. Contracts between the City and the subrecipients are then executed and projects may begin.

Citizen Participation in the CDBG Consolidated Plan

Citizen participation is a key component of the annual CDBG application process. Prior to applications being accepted, the City conducts public meetings to allow citizens and neighborhood groups to provide input about how the City of Rio Rancho proposes to use its CDBG funds for the community. The City, as required by HUD, has had many public meetings and consultations with various agencies about the City's housing and community development needs. The public comments and needs assessments become part of the City's five year Consolidated Plan.

The Consolidated Plan details how CDBG funds will be spent for the next five-year period (years 2013 through 2017). The Consolidated Plan is available for public review and necessary amendments are made when needed based on citizen input. A group of citizens known as the Capital Improvements Plan Citizen's Advisory Committee (CIPCAC) are now a part of the public participation process.

Citizens will also have an opportunity to listen to the goals of the Consolidated Plan and hear applicant requests by attending two public meetings to be held on February 21 and February 23, 2017 at 6:00 p.m., at the City Council Chamber located inside the City Hall. Citizens may also voice their opinions on various city-housing issues and other community development programs funded by CDBG at any regularly scheduled City Council meeting.

The CIPCAC endeavors to base its recommendations on an objective scoring system and input from local citizens. The City will continue to allow citizens to provide input throughout the CDBG program year and major regarding amendments to its Consolidated Plan.

Written comments on how the city uses its CDBG funding may be sent to the City of Rio Rancho, Financial Services Department, CDBG Grants Administration, 3200 Civic Center Circle NE, Suite 300, Rio Rancho, NM 87144, or by calling us at 896-8350, fax 891-5762, or via e-mail to kfox@rrnm.gov
