I ^ = There is "interaction" between EIDL and PPP. It is possible to utilize both loan products but they shall not cover the same expense (i.e. both can't cover April/May payroll; however, PPP could cover April/May and then EIDL could cover June on. Small Business Debt Relief Program participants may also apply for PPP. EIDL Loan could be re-financed into a PPP. \$10K EIDL grant subtracted off of PPP forgiveness amount.

N^ = The credit is not available to employers receiving Small Business Interruption Loan (Paycheck Protection Program). Note: Preserves cash now, back-end cash flow later. No hard employee (EE)/headcount (HC) creation/retention req'd, simply based on actual headcount employed. No loan application, enables you to focus on operations now yet still capture benefits.

N ^^ = Deferral is not provided to employers that have loans forgiven under Paycheck Protection Program. Note: Preserves cash now. No hard headcount creation/retention req'd, simply based on actual EE/HC employed.

Y/Widely Available ^ = Eligible employer that is/was carrying on a trade or business during calendar year 2020 and whose operation was fully/partially suspended.

Y/Widely Available ^^ = Eligible employer that is subject to Social Security withholdings and payments.
