Welcome! Thank you for joining us. The meeting will begin shortly. If you are having technical difficulties, please contact Webex Help at 866.229.3239.
Southern Boulevard
Reconstruction Phase II
90% Design Plans

Virtual Public Meeting

May 19, 2022
Meeting Instructions

• All participants have been muted to avoid background noise

• Technical difficulties?
  o Call Webex at 866.229.3239

• This presentation will be available online

• Following the meeting presentation, we will take comments and questions online and by phone
  o Instructions will be provided
AGENDA

1. Introductions
2. Project Team
3. Project Area/Location
4. Overview of Project Activities
5. Proposed Southern Blvd Plan
6. Traffic Control Approach
7. Questions and Answers
Project Team

• City of Rio Rancho
• New Mexico Department of Transportation (NMDOT)
• Federal Highway Administration (FHWA)
• Sandoval County
• Southern Sandoval County Arroyo Flood Control Authority (SSCAFCA)
• HDR Engineering
• Huit-Zollars - Utilities
• NV5 – Environmental
• Morrow Reardon Wilkinson Miller, Ltd. (MRWM) - Landscaping
Project Area

LEGEND
- Start of Project
- End of Project
- Project Limits
Overview of Project Activities

- Study Phase: Completed 2015
- Phase 1 Design: Completed 2018
- Phase 1 Construction: Completed 2019
- Phase 2 Construction Plans:
  - 60% Construction Plans: Completed August 2021
  - 90% Construction Plans: Completed April 2022
  - Final Construction Plans: August 2022
- Right-of-Way Acquisitions: Fall 2022 to Fall 2023
- Construction to begin when funding secured
